MESSAGE FROM THE MANAGING TRUSTEE

Dear Future Leaders and Esteemed Parents

It is with great pride and a heartfelt sense of purpose that I extend a warm welcome to you on behalf of Saifur Rahman College of Nursing. As Managing Trustee, I am deeply honored to share with you the vision and commitment that define our esteemed institution.

At SBCON, we are driven by a singular mission: to cultivate excellence in healthcare education that transcends traditional boundaries. We are not just preparing our students for careers; we are shaping the future of healthcare itself. Our commitment is to foster a dynamic environment where academic rigor meets compassionate care, and where each student is empowered to make a profound impact on the world.

Our institution is a manifestation of a vision that harmonizes advanced medical knowledge with a deep-seated commitment to human values. We offer cutting-edge facilities and a curriculum that integrates the latest advancements in healthcare with time-honored principles of ethical practice. Our esteemed faculty, with their wealth of experience and dedication, are here to guide and mentor students, ensuring they are not only skilled professionals but also empathetic caregivers.

We understand that the journey to becoming a healthcare professional is demanding, and we are here to support every step of that journey. Our holistic approach ensures that students are prepared not only to excel in their careers but also to contribute positively to the well-being of society. We are committed to nurturing a culture of excellence, integrity, and innovation.

As we look towards the future, our goal is to be a beacon of hope and progress in the field of healthcare education. We invite you to explore the transformative opportunities that SBCON offers and join us in our mission to make a difference. Together, we can build a future where healthcare is delivered with excellence and compassion.

Thank you for considering SBCON as your partner in this noble pursuit. We look Forward to welcoming you and embarking on a journey that promises to be both rewarding and inspiring.

Dr. Shaikh Jabir Hussain
Managing Trustee

MESSAGE FROM THE CEO

Dear Prospective Students, Parents, and Esteemed Stakeholders,

It is with immense pride and pleasure that I extend a warm welcome to you on behalf of Saif Burhani College of Nursing. As we embark on this exciting journey together, I want to share our vision and commitment to excellence in education and healthcare.

At SBCON, we believe that the cornerstone of exceptional healthcare lies in the quality of education and training provided to future professionals. Our mission is to empower students with the knowledge, skills, and values required to excel in the ever-evolving fields of nursing and allied health sciences. We are dedicated to fostering an environment that nurtures academic growth, practical skills, and compassionate care.

Our institution stands at the forefront of innovation and excellence in healthcare education. With a team of highly qualified faculty members, state-of-the-art facilities, and a curriculum that blends theoretical knowledge with hands-on experience, we are committed to preparing our students for the challenges and opportunities of the healthcare industry.

We understand that the journey of becoming a healthcare professional is both demanding and rewarding. Therefore, we have designed our programs to provide not only rigorous academic training but also the support and encouragement needed to thrive. Our commitment extends beyond the classroom, as we strive to instill a sense of purpose, empathy, and dedication in each of our students.

As we look to the future, we remain steadfast in our dedication to producing graduates who will make a meaningful impact in their communities and the global healthcare landscape. I invite you to explore the opportunities that SBCON offers and join us in our mission to shape the future of healthcare.

Thank you for considering us as your partner in this important journey.

Together, let us advance the frontiers of healthcare education and contribute to a healthier, more compassionate world.

Warm regards,

Lt.Col. Sohail Bashir (Retd)

Chief Executive Officer

MESSAGE FROM THE PRINCIPAL

It is with great pleasure that I welcome you to Saif Burhani School of Nursing. As the Principal I am tremendously impressed by the commitment of the school and the staff to the provision of an excellent all-round education for our nursing students in our state-of-the-art facilities. Academic excellence has become a way of life for all of us. As a team working together, we strongly promote academic achievement among our students. Saif Burhani School of Nursing is an innovative school drawing on the talents and skills of staff, our vision is to provide students with an educational experience that inspires and motivates them to be lifelong learners and caring contributors to the world around them. Our goal is to provide the finest environment that meets individual needs, both academically and socially.

Saif Burhani School of Nursing: “We challenge ourselves to do better and strive for excellence”. We are excited for the opportunity to work with you and to provide a safe and productive learning environment. I encourage you to share your ideas, concerns, or questions. We welcome you to be part of this profession by joining the Saif Burhani School of Nursing. I wish all my students a very successful academic and professional career ahead.

Warm regards,

Sunita Rehman

Principal, Saif Burhani College of Nursing

INTRODUCTION

The Saif Burhani College of Nursing (SBCON) is recognized by the Pakistan Nursing and midwifery Council and has been affiliated with the Dow University of Health Sciences (DUHS) since 2017.

Nursing is a profession within the Health Care Sector focused on the care of individuals, families, and communities so they may attain maintain, or recover optimal health and quality of life. Nurses care for individuals of all ages and all cultural backgrounds who are healthy and ill in a holistic manner based on the individual's physical, emotional, psychological, intellectual, social, and spiritual needs. The profession combines physical sciences, social science, and technology in caring for those individuals. To provide quality Nursing Care there is a need to train nurses effectively to work as a team member of the healthcare delivery system. It is therefore their training should involve positive attitudes, knowledge, skills, professional expertise, latest trends in health care and health care needs of the community and the country as a whole.

The Saif Burhani College of Nursing (SBCON) is dedicated to excellence in nursing teaching, scholarship, practice, and professional service. Nursing education is a unique practice discipline with its national accrediting standards and legislated licensure requirements.

FACILITIES AVAILABLE IN SBCON

LECTURE HALLS:

All SBCON's lecture halls are equipped with audio-visual facilities.

Computer Lab + E-Learning

The SBCON Computer Lab + E-Learning Resource Centre is an air-conditioned equipped with 40 computers with access to high-speed internet. Each PC comes with. In addition, all the workstations are connected with central printing facilities. The digital lab is accessible for faculty and students to access journals, databases, and articles across a wide range of disciplines.

LIBRARY:

SBCON library houses a vast database of medical books for the students. In addition, the library is equipped with internet to ensure students have access to e-books. The library is open from 8:00 am to 03:00 pm from Monday to Saturday and is closed during holidays.

SKILL LAB:

The Skills Lab is a simulation laboratory for the students to train. The lab provides students an opportunity to learn hands-on skills to ensure patient safety. The lab is equipped with training types of equipment, models, adult, and pediatric manikins for practice and evaluation. The laboratory is integrated throughout the traditional and accelerated BS Nursing curriculum, starting with Fundamental Basic Learning and Psycho-motor Skill Training. Students learn basic hygiene, mobility, feeding, and vital physiologic skills, ending with the more advanced, high-acuity physiologic skills.

SCIENCE LAB:

The Science Lab is equipped with all the necessary equipment needed by the students to practice.
